School of
the Arts for
Boys
Academy

#GivingTuesday is on the way . . . Please keep SABA in your heart this year as we prepare to open our doors in August 2023! Your donations will help to acquire physical education equipment, uniforms, art supplies, and so much more for our SABA Kings.

We know that many in our community have a strong passion for the SABA mission and some of the specific aspects of our program. Accordingly, **we encourage you to consider a donation** that will reflect the aspects of our work that are most personally important to you.

Here are some examples:

School Uniforms -- As a uniform school, it's essential that our students have standardized apparel. By purchasing blazers, you can help our Kings look their very best and present a unified front. Recommended average price: \$50

Arts Material -- As the School of the Arts for Boys Academy, arts materials are essential to our learning environment. With your donation we can purchase art supplies, clay,

music stands, microphones, studio equipment and much more. Prices range from \$10 - \$250 per item

Sporting & Physical Education Equipment -- SABA is committed to the physical well being of our Kings. Your support will help us to buy basketballs, soccer balls & goals, kickballs and even phys ed uniforms. Suggested donations from \$5 - \$100 per item

General Fund -- Of course your overall financial support is honored and appreciated. By earmarking your contribution to the SABA general fund, you make it possible for us to have the flexibility to allocate funds where their need is greatest.

We appreciate all of the support offered this Giving Tuesday and beyond!

2023-24 Student Enrollment Application Begins in January

SABA is on pace and ready to open our school in August 2023. We are chartered by the state to begin in our first year of operation with boys in grades 3-to-6. Applications for our official student enrollment lottery will be available online, beginning on January 3, 2023. Please make plans and notify others that you feel will be interested in becoming part of the SABA family.

We'll have exciting news to share in the coming weeks about our mission, our curriculum, community events, and **our new physical location here in Chatham County**. In the meantime, if you would like to participate in our progress or learn more about SABA, please do not hesitate to contact us.
