

Hello Chatham and Surrounding Church Leaders,

I am reaching out today to ask for your support and participation as we begin our big push to open the **School of the Arts for Boys Academy (SABA)** in Pittsboro this fall. We are a tuition-free NC Charter School, exclusively serving boys in grades 3-to-6. We will begin as a 3-to-6 school, add at least one new grade each academic year, and ultimately become an established K-to-12 school for boys in our area.

SABA will provide an academic home where a diverse student population is fully respected and supported. In this nurturing environment all SABA boys will grow to become strong, creative, academic scholars, critical thinkers and community leaders, through a culturally responsive arts-based education.

SABA took root here in Chatham County when our founding group of educators, parents and community leaders made note of the challenges that underserved student populations, boys in particular, have experienced as they worked to achieve their full potential in traditional educational settings.

***We are actively seeking volunteers to help us in a variety of areas, including admissions, operations, curriculum and community engagement.***

We are still in the process of enrolling our final group of students for the 2023-24 school year (school starts Aug. 14, 2023). This is our most pressing immediate priority. We are seeking community-wide involvement to ensure that every family with a desire to attend SABA this fall will be able to do so.

We have created two flyers in both English and Spanish. You can access them at these links:

[English 1-sided](#)

[English 2-sided](#)

SABA needs your help by announcing to your families and congregation that SABA will be opening in August in downtown Pittsboro. Posting these flyers in your church, community and other organizations would also be appreciated. If you are willing to allow me to come and speak at your church or other events you have planned in the coming weeks, please let me know.

Our community must be united in order to provide each child with the safe, positive learning environment they deserve. I'm proud that SABA will be able to play our part in this effort and have community members that share our same passion.

Thank you for giving this request your full consideration.

Mrs. Valencia Toomer  
SABA Founder and Head of School

[Families can apply online by visiting the SABA website.](#)

With seats beginning to fill over the past few weeks, local families will want to ensure a place for their student as soon as possible. SABA provides tuition-free education and is focused on a mission that ***Builds Boys Into Men***. Our emphasis on Arts -- Academics -- Athletics helps our Kings grow and succeed every day.
