Meet SABA This Weekend in Chapel Hill & Siler City

Please make plans to join SABA in Chapel Hill this Saturday between 10am and 2pm for the **Bookbag Giveaway and Family Fun Day**, taking place at the Northside Gymnasium at Hargraves Community Center.

Bookbags and school supplies will be given away, one per student while supplies last. There will also be fun, games and attractions for the whole family, plus food and refreshments!

The SABA team will be on hand to accept student applications, schedule building tours and answer questions, as we fill our final slots for the 2023-24 school year.

If you know of a young boy in the area who can benefit from a new academic environment, there's still time to consider School of the Arts for Boys Academy.

Please plan to drop by our booth and learn more about SABA this Saturday, or be part of our **SABA Information Session** in Siler City this Sunday at Piggly Wiggly Park. Dinner will be provided!

A flyer for the SABA event. It features a purple and yellow color scheme with large yellow circles. The text is in purple and black. At the bottom, there is a photo of two young boys, one Black and one white, both wearing backpacks.
