

## Happy Holidays From SABA!

On behalf of all of us in the SABA organization, we want to wish you and your loved ones a Happy New Year and the best of the holiday season.

We eagerly anticipate all that the new year holds for us, as the mission of SABA is realized and the **School of the Arts for Boys Academy** comes to life. We are honored and appreciative of all of the community support we've experienced and look forward to partnering further in 2023 for the benefit of our boys and the community at large.

Happy Holidays!

## SABA Receives Official Designation As An A+ School For 2023-24

Chatham County's **School of the Arts for Boys Academy** has earned official designation as an A+ School of North

Carolina for the upcoming 2023-24 school year. A+ Schools of North Carolina is a transformational model that views the arts as fundamental to teaching and learning. Arts at A+ schools are continually woven into every child's learning experience with the state's mandated curriculum.

Established in 1995, A+ Schools is a signature program of the North Carolina Arts Council and is the longest-running arts-based whole school model in the nation. SABA is honored to become part of A+ Schools and looks forward to integrating its model into our curriculum in our first school year.

The SABA family is thankful for all of the support we have received since our journey began.

Please remember to **follow SABA on Instagram & Facebook** as we enter the exciting new year.

***As you contemplate charitable giving plans over the holiday season, we respectfully ask that you consider SABA as a beneficiary of your kindness.***

SABA will be recognizing the accomplishments of the many Kings who are enrolling at SABA in 2023-24. ***These outstanding young boys are already making their marks in a number of impressive ways.***

Your involvement makes it possible for us to provide customized arts-based learning for young boys in our area.

Please be sure to follow us on Facebook and prepare to be inspired!
