The **School of the Arts for Boys Academy (SABA)** is in the midst of our Open Enrollment period for our inaugural 2022-23 school year.

Classes in grades 3-to-6 for our Chatham County-based school begin this fall. The early admission stage of enrollment concludes April 30. At that time, SABA will conduct a random lottery from among our recent applicants to award seating for first-year students. Students will be chosen at random via a computer-generated program so that all students have an equal opportunity for selection.
