Transportation Information At SABA

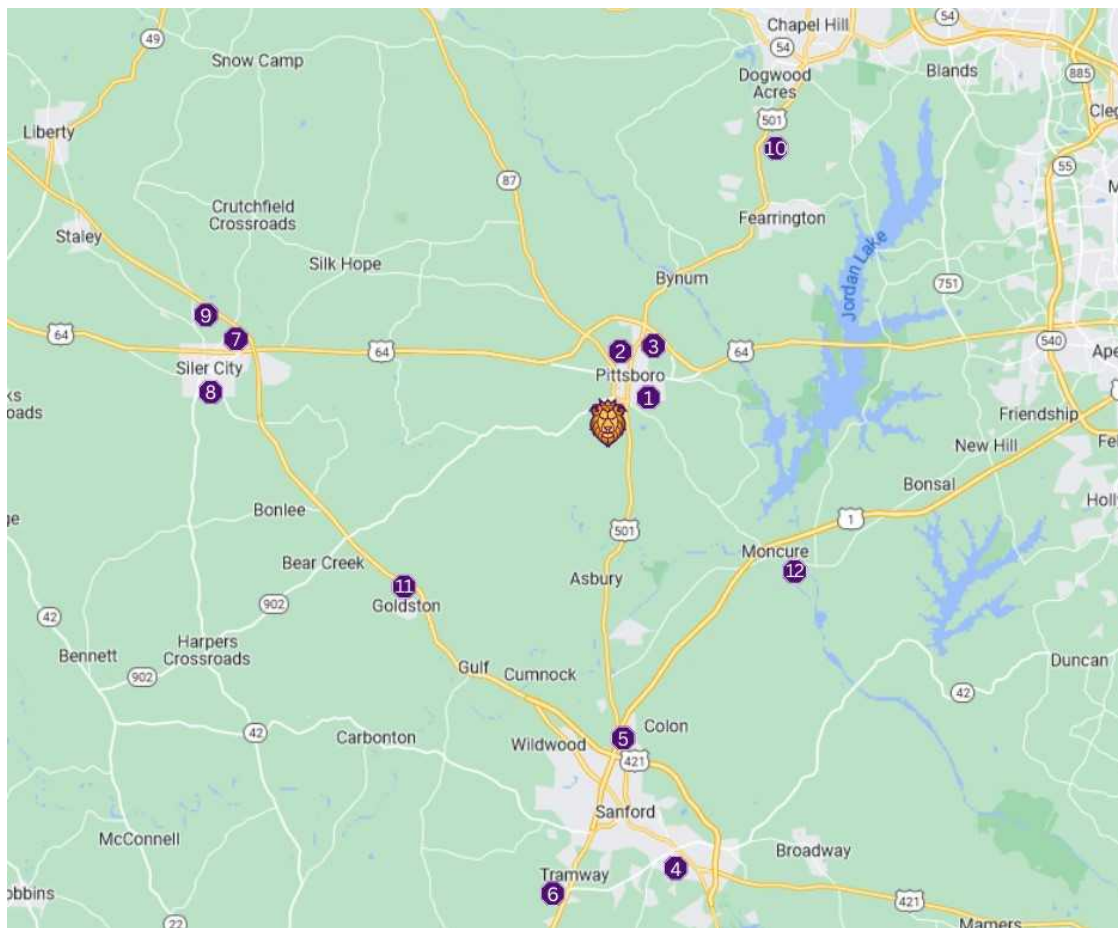

Will SABA offer bus transportation?

Yes!

We're located a mile away from the downtown courthouse in Pittsboro, just off the intersection of US 15-501 and NC-87, which makes SABA easy to reach from all parts of Chatham and neighboring counties. If you live or work in communities such as Siler City, Sanford, Moncure, Ferrington, Chapel Hill, Carrboro, Apex or Saxapahaw, it's a short, simple drive from your home to ours!

Equally important, buses will pick up and drop off students at designated stops to and from the school campus. Bus stops will be centrally located and based on enrolled students' addresses.

In advance of school's opening we will survey parents with an interest in receiving centralized bus transportation and will establish routes that are accessible for our students. Here's a look at our tentative bus stop locations.

SABA In The Community

The SABA team will be on hand throughout **Chatham County's Juneteenth Celebration** this Saturday at the county fairgrounds. Please be sure to attend this special community event and drop by to introduce yourself! We'll be happy to answer your questions and to welcome you to the SABA family. **We'll even have enrollment stations set up to accept student applications!**
