REMINDER: SABA Signing Day Is May 11

The **School of the Arts for Boys Academy (SABA)** will be hosting the school's latest *SABA Signing Day* this Thursday May 11, beginning at 6:30pm at Chatham Memorial Library.

With over 60 enrollment offers to area boys in grades 3-to-6 over the past 3 weeks, now is an ideal time for parents to learn more, or to apply for enrollment at downtown Pittsboro's new all-boys school. **Every student who submits an application at the event is GUARANTEED a place at SABA for the 2023-24 school year.**

SABA Founder/Head of School, **Valencia Toomer** senses the school's admissions momentum and encourages parents of young boys to give SABA full consideration. She notes "We've built SABA to provide an outstanding academic environment for boys in our area. It's that simple. Several studies have identified the presence of the achievement gap for boys that begins to emerge in around grade 3. We've invested the time and effort to find the teaching methods and curriculum that will help boys overcome this obstacle. Boys learn in a different way and will benefit from being in a school that understands how to educate them."

SABA's location is in downtown Pittsboro, with close proximity to major roadways such as US 64, Business US 64, US 15-501 and NC-87 and easy access to neighboring communities such as Siler City, Sanford, Moncure and Chapel Hill.

SABA opens its first year in August 2023, serving grades 3-to-6 and adding a grade each subsequent year. The end result is that every boy who enrolls will have a chance to graduate from SABA.
