SABA Enrolls 15 More Students For 2023-24 School Year

In the aftermath of a busy weekend in the community, the **School of the Arts for Boys Academy (SABA)** has **enrolled 15 new students for the 2023-24 school year.**

This activity follows the school's **SABA Signing Day** in the previous week, which led to **offered seats for our first 50 boys, for enrollment in grades 3-to-6.**

SABA Board of Directors Vice Chair, **Dr. Brent Anderson** was pleased to share the positive news with the **Charter School Advisory Board (CSAB)** at a meeting in Raleigh on May 8.

Dr. Anderson recounted SABA's interaction with families at the Chicken Festival in Siler City and the First Sunday festivities in Pittsboro. He commented, "The appeal of the SABA mission was evident throughout our community all weekend long. Families were eager to learn more about our school and the powerful impact it will have on boys' lives. The evidence is clear-cut, as 15 more families committed to becoming part of the SABA family in the past 3 days alone."

Response from CSAB members was equally positive during SABA's regularly scheduled "Ready To Open" charter school check-in. Board members expressed encouragement about SABA's momentum and reiterated their appreciation for the special mission the school is undertaking. Their strongest recommendation was "Continue recruiting more students!"
