In the aftermath of *SABA Signing Day*, the **School of the Arts for Boys Academy (SABA)** takes pride in announcing that *we have offered seats in our first year of school to our first 50 boys, for enrollment in grades 3-to-6.*

SABA Founder & Head of School **Valencia Toomer** is thrilled to be making this significant announcement. She comments, "Today marks a major milestone in the history of SABA. We are honored to offer positions to our first 50 Kings and are confident this is the start of an amazing academic journey that will serve them well throughout life. You can sense the momentum in our community, as we add students and share more information about our facility and our special curriculum."

Mrs. Toomer adds, "We appreciate the support and the belief in the SABA vision of serving the boys in our community that our families share with us. I can't wait to get started this August and to see what the future holds for these soon-to-be young men."
